TOYO TIRES®

driven to perform

Introducing ...

OPEN COUNTRY® Q/T

The Open Country Q/T offers a quiet, comfortable ride; impressive tread life; and attractive design. Built for a wide range of vehicles, from CUVs to luxury SUVs, this premium all season tire also provides confident handling and stability.

SUV/CUV all season touring

Designed to offer a quiet comfortable ride while also providing added load carrying capacity needed for SUV and CUV vehicles.

Quiet Comfortable Ride!

MULTI WAVE SIPES

- >> Minimizes irregular wear for a smooth, quiet ride.
- >> Improves all season traction.

ASYMMETRIC TREAD DESIGN

- >> Outside of the tire for cornering, center for braking, accelerating and traction, and the inside edge of the tire for stability and traction.
- >> Enables cross rotation to reduce irregular wear.

CENTRE STABILIZER RIB

- >> Ensures a comfortable ride on dry roads and stability while driving at higher speeds.

4 CIRCUMFERENTIAL GROOVES

- >> 4 wide Grooves help evacuate water and slush for added traction during inclement weather.

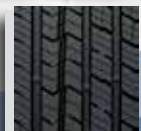

LARGE OUTER BLOCKS

- >> Helps propel the vehicle through mud, slush and snow.

INTERLOCKING BLOCKS

- >> Stabilizes tread blocks for improved performance while also contributing to a quieter ride and improved tread wear.

LATERAL GROOVES

- >> Adding lateral Grooves increases lateral stability while cornering.

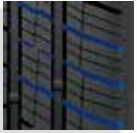

SILENT WALL TECHNOLOGY

- >> Reduces pipe resonance, resulting in a quieter ride.

LARGE EVACUATION GROOVES

- >> Improves water and slush drainage to reduce the chances of hydroplaning for better all-weather traction.

Moving Life's Precious Cargo.

The newest addition to the Open Country line of tires is designed for "your busy lifestyle". Your vehicle is more than a taxi, a commuter, or a business tool, so you deserve a responsive comfortable ride. Built for a wide range of vehicles, from CUVs to luxury SUVs, the premium Open Country Q/T provides impressive tread life and all season security ... to safely move life's precious cargo... whatever that may be.
